### **Attend Sunday School? Why?**

Some people are of the opinion that Sunday School is only for children. Nothing could be further from the truth. Sunday School enhances lives of adult believers by providing...

#### **A Place of Strength**

Being a member of a Bible study group can encourage believers in their relationship with Christ, but it also can increase the bond a believer has with other believers.

#### **A Place of a Knowledge**

To obey the Lord, we need to know His Word for us. Studying the Bible - God's Word - is essential to faith. The more we understand that word for ourselves, the more confidently we can obey His commission to "feed" others.

#### **A Place of Belonging**

When believers spend time together, they begin to know one another. Knowing people's names, their family members, and occupation will help you to pray for those families and encourage them in times of need

#### **A Place of Prayer**

Prayer is vital to a believer's life. Corporate prayer within the Bible study class is vital, too. Believers gain strength and comfort when they see that Christ answers prayer in personal ways.

#### **A Place of Service**

We should seize all opportunity to express God's love. That love can be expressed through prayer, words of encouragement, and acts of compassion.
