Frequently Asked Questions

Where can I get more information?

Visit one of our Welcome Centers located in the south end of the foyer in Building C. Our Welcome Center Staff can direct you to a small group Bible Study or can assist you in finding answers to questions about getting connected here at First Baptist.

What is available for children?

We have special activities in Bible Study and worship designed for infants - grade 5 during each of our worship services. Welcome Center staff, located in Building D for infants - kindergarten and in Building C for grades 1-5, can help you find your child's room. Parents of children in Building D will receive a pager number. Please check on your child in his or her classroom if you see your pager number appear on the digital displays located in the Worship Center.

Where can I find a recording of today's sermon?

Pastor's sermons are available on CD in our HomePointe Center located in Building B. You may place an order for any of our pastor's sermons or sermon series. Sunday morning sermons are also available as a podcast. Please go to fbckissimmee.com to download.

What is HomePointe?

Our HomePointe Center is designed to help families be more intentional about building a God-honoring home. The HomePointe Center has many free resources to help you in whichever season of life you are living. HomePointe Hosts are available to point you in the right direction or you may access the free resources online at fbckissimmee.com.

How can I have a relationship with Jesus Christ?

God loves you and wants you to experience peace and life - abundant and eternal. Out of that love, God gave us free will and freedom of choice. Our problem is, we choose to disobey God and go our own sinful way. The result - separation from God.

Jesus Christ is the only answer to this problem of separation. He died on the cross and rose from the grave, paying the penalty for our sins and bridging the gap between God and people. God has provided the only way - we must make the choice to receive Jesus Christ.

How Do I receive Christ?

- Admit your sin (I am a sinner).
- Turn from your sin (repent).
- Believe that Jesus Christ died for you on the cross and rose from the grave.
- Through prayer, invite Jesus Christ to come in and control your life through the Holy Spirit (Receive Him as Lord and Savior).

Once you pray to receive Jesus Christ, this is just the beginning of a wonderful new life. Our pastor would love to hear this great news. He will offer an invitation at the close of this worship service when you can share your decision with him.
