How can I have a relationship with Jesus Christ?
God loves you and wants you to experience peace and life - abundant and eternal. Out of that love, God gave us free will and freedom of choice. Our problem is, we choose to disobey God and go our own sinful way. The result - separation from God.

Jesus Christ is the only answer to this problem of separation. He died on the cross and rose from the grave, paying the penalty for our sins and bridging the gap between God and people. God has provided the only way - we must make the choice to receive Jesus Christ.

How Do I Receive Christ?
- Admit your sin (I am a sinner).
- Turn from your sin (repent).
- Believe that Jesus Christ died for you on the cross and rose from the grave.
- Through prayer, invite Jesus Christ to come in and control your life through the Holy Spirit (receive Him as Lord and Savior).

Once you pray to receive Jesus Christ, this is just the beginning of a wonderful new life. Our pastor would love to hear this great news. He will offer an invitation at the close of this worship service when you can share your decision with him.
